# BlackDiamond

Beyond black and chrome, Black Diamond's noir disposition to convention eclipses backseat notions of luxury with a design aesthetic that merges austerity, exactingness in detail, and an elegance wrought from a single, fine-line silver ring in stunning, perpetual oscillation.

The Halo blends in without overpowering, and accentuates its master to its delight while in motion or in standstill.

*what's your crave?*

Fast, Fierce, and Ferocious. Almost..... Frightening.  
Only the bold and the proud who can flirt with such purity  
of power and seeks infinite attention, can wrap themselves  
with Fiero's redlining detail.

Respect the Red and approach with caution.

Consider yourselves forewarned.
