VERTINI WHEELS YOUR SOURCE FOR THE ULTIMATE RIDE!

V VERTINI

VERTINI WHEELS were born from an obsession to create styling wheels by deploying craftsmanship and technology to the highest standard and settling for nothing less than absolute perfection.

Thus, Vertini wheels embody the finest elements that luxury wheel can possess. These qualities seem fitting for individual who has a strong preference for full size German and Japanese luxury sedans and wanting more than just another mass production vehicle. Vertini wheels offer more exclusive individual styling more exciting and brave design, to stand out from the crowd and be noticed.

MAGIC MATTE BLACK

All Magic! what else can we call this wheel? The break out star for 2011 is the Vertini Magic. The clean concave spokes, the chrome stainless lip or the Gloss black stainless lip never before seen in cast wheels. His Exclusive wheel is like no other in its class, available in 19" 20" and 22" the Magic is the ultimate wheel for and sport or luxury Vehicle.

FAIRLADY

A 5 spokes wheel need not has to be boring! Fairlady enhance an already classic and carry it up to another level. This fashionable wheel encompasses eye catching elements that would be appealing to even the most die-hard racing fan.Fairlady simply combines no nonsense appearance with workability that speed craze are after. Nonetheless, still retaining the brilliance for anyone who just wants to look good!

HENNESSEY

Hennessey embodies the perfect blend between performance and look. This elegant light weight sleek-looking wheel offers plenty of punches and fully compliments your high performance ride. Similar to all of our wheels, Hennessey offers staggered technology with deep chromed stainless steel lip.

VERTINI

DRIFT BLACK

All new for 2011, Vertini enters into a whole new era of wheel designs starting with the Drift. The new Drift will be the first of many Vertini Racing wheels. The Drift is a sleek five spoke wheel with five machine curved grooves that define each spoke. Also Exclusive Vertini logos on the spoke and the register so there are no imitations. The Drift will be available in wide fitments to get the best ride for your sport luxury vehicle.
